Summer Packet

My Summer Bookshelf

As you read books this summer, write a title on each book spine.

Summer 2023

Dear Parents,

Your child has worked very hard this year in 2nd Grade. In order to maintain their progress and be ready for 3rd grade, we are requesting that students complete this review packet and the attached IXL skill plan. The packet contains short exercises to help sharpen their reading, math and language arts skills. It is recommended that students complete 1-2 pages per day until complete. The IXL skill plans contain 20 lessons to be completed at your child's own pace.

Students are also required to read the book Charlotte's Web over the summer break as well as at least 2 other chapter books of their choice. Books read should be recorded on page 2 of the packet.

In addition, please make sure your child can read all the words on the enclosed sight word list, including all the 2nd Grade words.

Students who return a completed packet on the first day of school will receive a special treat!

Thank you and Happy Summer!
